This edition is written in English. However, there is a running French thesaurus at the bottom of each page for the more difficult English words highlighted in the text. There are many editions of At the Back of the North Wind. This edition would be useful if you would like to enrich your French-English vocabulary, whether for self-improvement or for preparation in advanced of college examinations. Webster's edition of this classic is organized to expose the reader to a maximum number of difficult and potentially ambiguous English words. Rare or idiosyncratic words and expressions are given lower priority compared to "difficult, yet commonly used" English words. Rather than supply a single translation, many words are translated for a variety of meanings in French, allowing readers to better grasp the ambiguity of English without using the notes as a pure translation crutch. Having the reader decipher a word's meaning within context serves to improve vocabulary retention and understanding. Each page covers words not already highlighted on previous pages. This edition is helpful to French-speaking students enrolled in an English Language Program (ELP), an English as a Foreign Language (EFL) program, an English as a Second Language Program (ESL), or in a TOEFL® or TOEIC® preparation program. Students who are actively building their vocabularies in French or English may also find this useful for Advanced Placement® (AP®) tests. TOEFL®, TOEIC®, AP® and Advanced Placement® are trademarks of the Educational Testing Service which has neither reviewed nor endorsed this book. This book is one of a series of Webster's paperbacks that allows the reader to obtain more value from the experience of reading. Translations are from Webster's Online Dictionary, derived from a meta-analysis of public sources, cited on the site.

John Keaney:

Many people spending their time by playing outside with friends, fun activity having family or just watching TV the entire day. You can have new activity to shell out your whole day by examining a book. Ugh, you think reading a book can really hard because you have to bring the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Touch screen phone. Like At the Back of the North Wind (Webster's French Thesaurus Edition) which is keeping the e-book version. So , why not try out this book? Let's see.

Carl Fox:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this At the Back of the North Wind (Webster's French Thesaurus Edition) can make you really feel more interested to read.
