Great Apes Will Self

Like Franz Kafka's *Metamorphosis*, *Great Apes* is a strange and twisted tale, a surreal satire on the human condition, and an omen for those who wander too far. After a long night of partying, Simon Dykes, a successful British painter, wakes up to find that his girlfriend has turned into a chimpanzee. In fact, the world Simon once knew has become a planet of apes. Convinced he is still human, Simon is confined to the emergency ward of a hospital and put under the care of Dr. Zack Busner, clinical psychologist, radical psychoanalyst, maverick drug researcher, and media personality. Written with the glittering satiric edge that is Self's hallmark, *Great Apes* is a hilarious, disturbing, and truly unforgettable novel.

From reader reviews:

Desmond Gorman:

The book Great Apes will bring that you the new experience of reading a book. The author style to explain the idea is very unique. When you try to find new book to learn, this book very ideal to you. The book Great Apes is much recommended to you you just read. You can also get the e-book from official web site, so you can quickly to read the book.

Jeremy Robinson:

Why? Because this Great Apes is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will surprise you with the secret this inside. Reading this book beside it was fantastic author who also write the book in such remarkable way makes the content inside easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This excellent book will give you a lot of gains than the other book get such as help improving your ability and your critical thinking approach. So , still want to hold off having that book? If I had been you I will go to the reserve store hurriedly.

Terry Hollis:

Reading can called imagination hangout, why? Because while you are reading a book especially book entitled Great Apes your thoughts will drift away trough every dimension, wandering in most aspect that maybe unidentified for but surely can be your mind friends. Imaging every single word written in a reserve then become one web form conclusion and explanation in which maybe you never get ahead of. The Great Apes giving you an additional experience more than blown away your thoughts but also giving you useful info for your better life on this era. So now let us show you the relaxing pattern at this point is your body and mind are going to be pleased when you are finished reading it, like winning an activity. Do you want to try this extraordinary paying spare time activity?

Steven Delorme:

In this era which is the greater man or who has ability to do something more are more valuable than other. Do you want to become certainly one of it? It is just simple method to have that. What you must do is just spending your time very little but quite enough to enjoy a look at some books. One of many books in the top checklist in your reading list is actually Great Apes. This book which can be qualified as The Hungry Inclines can get you closer in becoming precious person. By looking upward and review this book you can get many advantages.
