Myriad of Perceptions Brenda Lee Ranta

Open yourself up to imaginative and thoughtful prose, lyrically soothing like an endless lullaby that embraces and caresses throughout the solitary days and nights. Inhale and exhale a poetry collection brimming with vivid stories, a reflection of stunning imagery. There is something incredibly raw and emotive within these pages, that strips bare the human soul. These verse provide sustenance for the lonely, splash color on a black and white canvas, and articulate beauty found in the ordinary. Poems like wildflowers blowing in the wind, undulating fields of sparkling emeralds and golden sunshine, a blanket for lovers to smother away their glory days. Above all other things, Myriad of Perceptions, vociferates just how important it is to think for yourself. Each poem gives wings to words and it is nothing short of spectacular to watch them fly, fly, fly. - L. J. Diaz, Author
