Urban Policy Choices for Michigan Leaders

Urban Policy Choices for Michigan Leaders

The future of our cities lies in the development of a clear understanding of the key factors that constitute urban policy debates. Central problems and possible solutions are presented here for the vital issues of economic development, housing, and social justice, as well as the analysis of Michigan's general revenue sharing formula and the current and projected use of land. Contributors also highlight racial and community issues related to Hispanics, African Americans, and new immigrants. State and local leaders will find *Urban Policy Choices for Michigan Leaders* to be a helpful reference for research-focused and policy-related information when participating in these major debate areas.
