Judging from the wealth of TV programs dedicated to room redos, Americans are mad for home makeovers. The idea of a home makeover is seductive, but not everyone has scads of cash to spend revamping a room. With 200 full-color photos and 50 color illustrations, *Budget Makeovers* reveals how do-it-yourselfers can attain a professional polish at an affordable price. The book features 12 real-life makeovers, showing how to transform boring or outdated rooms - be they kitchens, baths, family rooms, dining rooms, living rooms, or bedrooms - into fresh, beautiful, and livable spaces. Each room featured includes color before and after photographs (200 in all), a description of how the room was updated, a list of what the owners loved and hated about the space, the tab on how much was spent, and a breakdown of how long each phase of the makeover took. How-to projects specific to each room, valuable trade secrets, decorating shortcuts, full color illustrations, and design ideas are included with each redesign.
