Headhunter: A Company Whore and Her Cuckold Husband Scott, Emma Kelly

Becky Allworth and her husband of ten years have fallen on hard times. But things change suddenly when she is approached by an arrogant, attractive corporate recruiter who offers her a bold solution to her problems and propels her out of the life she has been leading with her meek but petulant husband and back into the sordid, highly erotic lifestyle she left behind upon marrying him. After an intense indoctrination, Becky finds her life more and more co-opted. Her transformation from an upper middle class suburban wife into a sleazy tramp is both exhilarating and degrading. But through all the torment and humiliation, Becky also discovers undeniable truths and forbidden pleasures. She becomes her primitive self. Headhunter is a vivid, blazing hot tale of sexual reawakening, disturbing at times and not for the feint of heart.
