**Kierkegaard's 'Fear and Trembling': A Reader's Guide (Reader's Guides)** Clare Carlisle

Søren Kierkegaard was without question one of the most important and influential thinkers of the nineteenth century. *Fear and Trembling* is a classic text in the history of both philosophical and religious thought that still challenges readers with its original philosophical perspective and idiosyncratic literary style.

Kierkegaard's *'Fear and Trembling': A Reader's Guide* offers a concise and accessible introduction to this hugely important and notoriously demanding work. Written specifically to meet the needs of students coming to Kierkegaard for the first time, the book offers guidance on:

- Philosophical and historical context
- Key themes - Reading the text
- Reception and influence
- Further reading
