Colour in and save the world with The Exotic Colouring Book, a colouring book like no other. £1 (approx \$1.40) from every copy of The Exotic Colouring Book and its companion books (in any worldwide territory) is donated to World Land Trust (www.worldlandtrust.org). Our donations will fund their 'Buy an Acre' program, where every £100 will fund the purchase of an acre of threatened rainforest in Mexico, Argentina and Ecuador. This means that every 100 books sold will ensure an acre of land – and all the species that occupy it – is protected for future generations. The Exotic Colouring Book showcases species from around the world. Some are familiar, and some less so, but they all have one thing in common: they are endangered. The thirty detailed illustrations are waiting for you to bring them to life with colour! When inspiration strikes, you can add in your own doodles and drawings wherever you'd like. This book is for colourists of all ages to enjoy - including adults. After all, colouring shouldn't just be for kids - grownups need to have fun too! Find out more at www.megcowley.com
