Too Deep for Words: A Theology of Liturgical Expression

Clayton J. Schmit

Too Deep for Words: A Theology of Liturgical Expression Clayton J. Schmit

Exploring fundamental ways in which verbal expression in worship relates to aesthetic expression, Clayton Schmit provides a vitally important book for all homiletics students and scholars. Schmit explains that worship isn't just a sequence of "holy" words, and he reflects theologically on the relationship between verbal and aesthetic expression, demonstrating the aesthetic significance of verbal liturgical expression and the aesthetic responsibility of those who preach, pray, and lead in public worship.
