Drummer's Guide to Big Band: Book & DVD (Wizdom Media) Garey Williams

Playing in a big band is one of the most complex and nuanced jobs that a drummer faces. Garey Williams' new book *Drummer's Guide to Big Band* sets out a highly-organized game plan for tackling the demands of the big band drum chair. In addition to a thorough explanation of charts, grooves, song forms, set-ups, and other figures, the book includes a multimedia disc with both video and audio examples. I look forward to using this book with my own students!
