"And I was never sure whether you were the lighthouse or the storm."

Highway Heart is a collection of over one hundred poems on relationships, life and the universe. The theme is journeys - the travel we undertake in life, the type of internal travel which traces roads inside our hearts.

Half an exploration of the difficulties of finding the right path in life, and half a bitter sweet celebration of the myriad of strange, exciting, heartbreaking and unexpected roads we discover for ourselves, Highway Heart is above all else the poetic tale of a journey.

From the author of the best selling Love And Space Dust, Could You Ever Live Without?, Love As The Stars Went Out and Death's Door.
