Murdock Rocks Sedona (Matt Murdock Murder Mystery) Robert J. Ray

Wealthy investors in Sedona, Arizona, are dropping like flies—more accurately, lead weights. They are falling down staircases and off mountainsides, decks, and hiking trails. With so many similar “accidents,” the victims had to have been pushed. Other than their wealth and weakness for beautiful young women, what the falling men had in common was a financial interest in Sedona Landing, a historic hotel in Oak Creek Village. They also shared a long history with the chief investor, billionaire Axel Ackerman. Fearing that he too will plunge to his death, Ackerman hires Matt Murdock and Helene Steinbeck to investigate. During his climb to the top of the heap, Ackerman crushed scores of rivals and broke many hearts. The culling of his “Crew” of investors is clearly personal. So who among this crowded field of enemies would orchestrate such a byzantine scheme of revenge? To keep their client safe, Matt and Helene will have to be on their best game. Too bad their last case in Taos took such a heavy toll, particularly on Helene, and caused a rift in their fragile bond. Murdock Rocks Sedona is the seventh book in the Matt Murdock Murder Mystery series, which began with Bloody Murdock.
